

The International Order of the  
Rainbow for Girls

**Have you ever thought about a value-based organization for your daughters to join?**

A value-based organization where she can learn how to preside at a meeting, conduct speaking engagements, oversee charity projects, participate and gain knowledge and experience that will help her through all stages of life. Where she can find sisterhood and just plain good ole fun.

If so, please come and join members of Virginia IORG for an Interest Meeting. We'll share information about our Masonic-sponsored organization, discuss steps to open an Assembly, and answer any questions you have.

**Saturday, October 19, 2024**

**Taylor Masonic Lodge**
